

# Plan Commission ok's zoning bill; realtors oppose it

By GARY SCHNEIDER  
of the Press-Record

A new zoning ordinance and map for Granite City passed a major hurdle Thursday afternoon as the city's Plan Commission, on a six to one vote, endorsed the documents and sent them on to the Granite City Council for consideration tomorrow night.

The endorsement followed lengthy debate, during which several realtors argued against the documents, con-

tending that they do not leave enough room for commercial growth in the city and force every businessman to play a game of "political football" in order to get proper zoning for a new business.

"Everybody who wants to buy a building and start a small business knows what he is in for," Realtor John Krekovich contended, adding, "You have to get so many votes to get it passed (by the city council)."

The realtors argued for commercial

zoning on Madison Avenue from 24th Street to Nameoki Road, and on portions of Fontenot and Johnson Road which already contain businesses.

The Plan Commission, aided with homeowners, who do not want businesses to take over neighborhoods which are primarily residential, and Plan Commission Chairman Dave Morgan contended that to zone certain strips, such as six blocks of Madison Avenue, for business use, is unwise.

"Planners say that one thing that will kill a community is strip zoning," he said.

Plan Commission Member Ed Keinagle was the only one voting against endorsing the new zoning documents. Voting yes were Morgan, Fred Cunningham, Roy McGee, Sandy Shaw, Jim Holland and Homer Huber.

Morgan opened the meeting Thursday afternoon, saying that there has been a lot of input from various groups

into the zoning ordinance, including a hearing specifically for realtors, and several changes had been made as a result of the meetings and public hearings.

"This has been a long time coming," Morgan said of the new document, noting that it should replace the current ordinance in effect since 1958. He explained that one change made in the ordinance included elimination of a provision which would have prohibited

the rebuilding of businesses in residential areas which were more than 50 percent destroyed by fire or severe weather.

Another change allows persons who obtain zoning changes, but are unable to build within the required 30 days of the zoning approval to apply for a 30-day extension of that approval.

Morgan said there has been a great deal of misunderstanding about the

### Committee studies pinball law

Age limit for all games may be eliminated

Every coin-operated machine in Granite City may have to bear a \$50-a-year city license, from pinball machines to complex video games and from newspaper vending machines to pool tables, if an ordinance now being drafted is eventually adopted by the city council.

However, it seems likely that the city will drop its age restriction on operating amusement machines, which currently makes it unlawful for anyone under the age of 18 to operate such machines as pinball machines and video games.

During an informal meeting Friday in the mayor's conference room, two aldermen and several city officials discussed ways to simplify the current "jumbled mess" of city regulations which license juke boxes, cigarette machines, amusement machines and candy and food vending machines. Fees and regulations for each type vary. For general coin-operated candy and food vending machines, the license fee, per

machine, currently varies from 50 cents to \$2, according to the amount of money each machine requires to operate.

Coin-operated laundries, pool halls and establishments using other types of machines are covered under the city's business license ordinance, and some machines, such as newspaper vending machines, currently need no license.

Pinball machines, amusement

devices and jukeboxes now pay a \$10 city license fee, per machine, while cigarette machines are \$7.50.

Attending Friday's session to discuss licenses for coin-operated machines were Aldermen Paul Fisk and Everett Morien, Mayor Paul Schuler, City Clerk Robert W. Stevens, City Attorney John Papp and Assistant Attorney Casper Nighossian, City Engineer Morris Brewer and Stevens' assistant, Gail Valle.

Initially, the committee discussed the idea of continuing to license operators of amusement centers (those with four machines or more), and suppliers of amusement devices, and requiring that they register the serial number and type of machine for each game machine in each establishment.

Since many pinball games and video games are rotated from establishment to establishment regularly, it was decided that to attempt to keep track of which machines were in which establishments would create a burden on the city clerk's staff. "It would make for a heck of a bookkeeping system," Fisk suggested.

Nighossian said that it would be up to the proprietor of each establishment having games to notify the city when that specific machine has been moved.

Instead, the committee decided, it would be more practical for the city to sell license stickers for coin-operated machines and to demand that the stickers be affixed on each machine. "As long as that machine is licensed with a Granite City license on it, it doesn't matter where it is," Fisk said.

Nighossian asked what would be done if police or the enforcing inspector for the city finds an unlicensed machine in an establishment and the proprietor says he does not know who owns the machine. "Who do you charge?" he asked.

The committee decided that the proprietor of each establishment must be held responsible for seeing that all machines in that establishment are

**OUTSTANDING START.** Gred Dix, left, United Way representative at the Granite City (Trust) Bank, presents William Donovan, United Way president, the total pledges of the bank's employees which have increased 34 percent over last year despite 10 fewer employees. The fall campaign of the United Way is set to begin Tuesday morning at a kick-off breakfast at 7:30 at the Granite City Township Hall.

### Campaign for local community service agency funds to begin

All is in readiness for the fall 1981 campaign which will raise funds for the January-December 1982 operating costs of local United Way agencies.

With Melvin C. Wilmseyer as drive chairman, the kickoff breakfast will be held at 7:30 a.m. tomorrow at the Granite City Township Building, 2060 Delmar Ave. Attending will be campaign workers and leaders and community service staffs.

Wilmseyer, president of the First Granite City National Bank, has assembled a team of several hundred voluntary aides to contact employees, residents, stores, industries, professionals and organizations.

Principal speaker at the Tri-Cities Area United Way kickoff will be Buddy W. Davis, district director of the United Steelworkers of America. Both labor and management play major roles in the annual financial drive here.

A campaign goal is to be established at tomorrow's breakfast meeting at the Township Building.

Follow-up report luncheons are scheduled for the local YMCA at noon on Oct. 2, 16 and 30 and Nov. 13.

In materials prepared for the campaign, Wilmseyer comments that "during 1980, the Tri-Cities Area United Way through its member agencies served 89,723 residents and employees."

"Providing good human care services for so many people requires not only the full-time staffs but also hundreds of volunteers. People from our community donate much time and energy to improve the caliber of life for those who need help."

"They serve on community boards,

raise funds, allocate campaign proceeds and fill many other jobs to help the UW agencies stretch each dollar as far as possible.

"By operating as an individual non-profit fund organization, we are able to limit the operating costs to a minimum. Only a small part of what is contributed goes to administration. The end result is much more cost-effective than it would be if each agency raised funds separately."

"Without volunteers, our agencies and our United Way could not function. We are able to operate so inexpensively because of these volunteers."

"They and the people and groups which contribute to the United Way are helping directly and meaningfully to

make this community a better place to live and work."

Participating agencies include the Boy Scouts, Girl Scouts, Catholic Charities, Protestant Welfare, Salvation Army, Coordinated Youth Services, United Way Information and Referral Service, Madison County Urban League, AFL-CIO Community Services, Tri-Cities Association for Retarded Citizens, Visiting Nurses, Alcoholic Rehabilitation Home, Red Cross Chapter and its Disaster Program, One-to-Four Family Burnout Assistance, Children's Home and Aid Society, Clothing and Furniture Exchange, Tri-City Area YMCA, Arthritis Foundation, and Family Counseling Center.

### \$61 million budgeted for campus

Meeting here Thursday, the Southern Illinois University Board of Trustees approved a \$245,499,300 operating budget for the Carbondale and Edwardsville campuses and the office of the chancellor, based on state appropriations and other anticipated income for fiscal year 1982, which began July 1.

The budget reflects an increase of \$13.5 million or 5.9 percent over last year. It is based on estimated income of \$161.9 million from state appropriations and \$80.6 million in non-appropriated funds.

Of the state appropriations, which account for 67 percent of the operating budget, the Carbondale Campus will

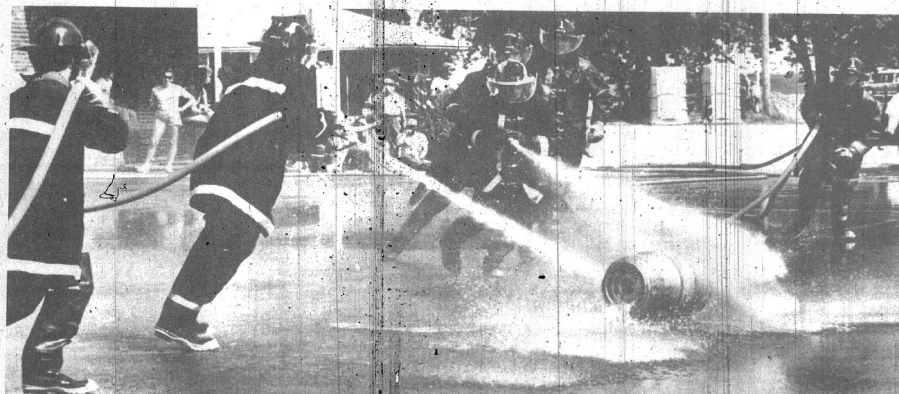

receive \$113.9 million, a 5.3 percent rise over last year, while the local campus will receive \$47 million, a 3.5 percent increase. The office of the chancellor will get \$995,000, up 2.4 percent. The figures include retirement fund contributions.

State appropriated funds consist of general revenue funds (tax dollars) and

income will support about 54 percent of the projected 1982 budget, while income fund collections are expected to support about 13 percent.

Expected non-appropriated funds represent a net increase of \$6.1 million or 8.2 percent over last year, with Carbondale budgeted for an increase of

### 3-day festival to open overpass

Granite City Mayor Paul Schuler has set Oct. 16 as the first day of a three-day event to celebrate the completion of the 18th Street overpass project.

Preliminary plans call for carnival rides and possibly a soap box derby to be held with areas reserved for organizations or other interested persons to set up booths for games, food and other activities.

Because of the short notice of the celebration, all organizations interested in having booths at the three-day event and all children who have an interest in competing in the soap box derby have been asked to contact the office of David Nolan, administrative assistant to the mayor, as soon as possible. Further information about the celebration is available from Nolan by calling 452-4215.

A unique ceremony also is being planned to open the overpass which is to kick-off the three-day celebration.

## Lions seek Candy Day fund volunteers

The Madison Lions Club is seeking helpers for Lions of Illinois Candy Day on Friday, Oct. 9. The duties? Give away candy, smile, say hello to friends and neighbors, and accept donations to help the blind, visually handicapped, deaf, and hearing impaired.

Lions are teaming up to raise \$1.2 million to be used locally and statewide. "I think the Lions have the most fun of any service organization when we get together for fund raising," said Donald L. Bridle, Madison chief of police, club Candy Day volunteer chairman.

"We like to have fun-raising as well as fund-raising. On the serious side, we get a lot out of it, knowing we are helping others." Last year, the club had 10 volunteers and Lions working on Candy Day. This year, the club wants to double the number.

"We want everyone to help us — even if you are a member of another service organization," the chairman said. He can be reached at 876-4300. Workers must be at least 16 years old. Each volunteer will wear a special, high-visibility apron, and a cap.

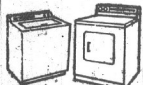

Each will have a canister for contributions and a supply of candy to give away.

Being a volunteer on Candy Day is a perfect service opportunity for people who don't have time to work too long in a club," he said. "You can help and have fun, and you only have to put in a couple of hours." Shifts are to be arranged throughout the day, with the busiest hours in the morning and evening when people are going to be leaving work. Club members will be contacting church groups, senior citizens, neighbors, friends, relatives and others to invite them to help.

## 'School Night' for Scouting scheduled

A national new member recruiting program "School Night for Scouting" will be launched on Thursday, Sept. 17, to introduce young boys to the programs of the Boy Scouts of America. Boys who are age 8 and in the third grade may join Cub Scouting and boys age 11 and in the sixth grade may become Boy Scouts. Twenty area schools are holding "School Night for Scouting." All the meetings will begin at 7:30 p.m. Parents and their sons should attend the meeting closest to their home, or they are free to attend any of the meetings, according to local Boy Scout officials.

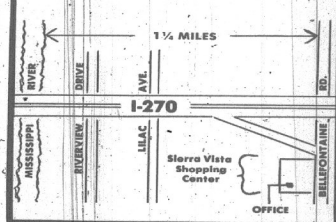

Information and representatives from the various local Boy Scout Troops and Cub Scout Packs will be present to answer questions from both parents and boys about their individual units and pass out informational literature. Young men and women interested in the Explorer program may obtain information from the Cahokia Mound Center, BSA Service Center, 2019 Delmar Ave., telephone 876-0088. Due to a scheduling problem Cub Scout Pack and Boy Scout Troop 13 will hold their school night on Thursday, Sept. 24 at 7:30

p.m. at St. Elizabeth School. Following are a list of schools and the various units that will be represented: Emerson School Packs 8 and 9, Troop 8 and 1, Frohardt School Pack 2, Johnson School Pack 2, Lake School Pack 106, Troop 102, Logan School Pack 19, Troops 3 and 1, Marshall School Pack 17, Troop 17, Maryville School Pack and Troop 96, Mitch School Pack 141 and Troop 41, Narnock School Pack 4, Troop 46 and Troop 1, Niedringhaus School Pack and Troop 12, Parkview School Pack 28 and Troop 146, Webster School Pack 2, Wilson School Pack 122, 5, Margaret Mary School Pack 103 and Troop 103, Bla School Packs 48 and 4, Troop 45, Hing School Pack 21, 5, Mary School Pack 47, Troop 47, Louis Baer School Pack 21, Venice Grad School Pack 1 and Troop 1, Sacred Heart-St. Joseph School Pack 7 and Troop

## 56 at Golden Agers dinner

Fifty-six members of the Kirkpatrick Golden Agers and several guests gathered at the Kirkpatrick Homes Recreation Center last week for the monthly potluck dinner.

Mrs. Lester (Helen) Thiele provided chicken and dumplings as the main course. Side dishes and dessert were furnished by members.

Several upcoming activities were reported in the business session, conducted by Ruby Corbitt, president. Among the events were a picnic for seniors from 7 p.m. to 9 p.m. Tuesday, Sept. 15, at the Wilson Park ice rink pavilion, and a Sept. 29 Wiener roast and hayride, plus music, at the new shelter in Wilson Park.

Township buses will be in service for the events and those desiring transportation are asked to call 877-6586 in advance.

The Golden Agers also are planning a one-day trip to Southern Illinois on Sept. 22, leaving the Anchorage and Kirkpatrick center at 8 a.m. and returning at 5 p.m. Kitchen help at the potluck included Mrs. Corbitt, Caroline Lux, Edith Young, Elva Stearns, Beulah Drum,

Tom Crawley, Vi and Art Lindner, Jennie Moody, Opal Voss and Martin Schulte. The dinner tables were decorated by Mr. and Mrs. Lindner and Mrs. Lux. Among the guests were David Morgan, Edward Besserman and Glenda Coleman.

## Pellet gun shooting spree damages autos

During a 2½-hour period between 11 p.m. Friday and 1:30 a.m. Saturday, the Granite City Police Department, working with reduced manpower, handled a total of 33 calls.

Some calls were urgent while others were of a less immediate nature, but all needed the attention of an officer.

According to a police supervisor, response to the calls was made on a priority basis. Some callers were required to wait until an officer was free from one incident to deal with yet another, he noted.

Eleven calls involving criminal damage to property came in between 11 p.m. and 12:30 a.m., with all the incidents related to a shooting spree by someone armed with a pellet gun.

The first report came from Coy Reeves, 2808 Forest Ave., who said the occupants of a light colored vehicle with loud mufflers shot out a window in his 1979 Caprice wagon which was parked in front of the dwelling. Subsequent reports were received from:

Maria Piese, 59 Oaklawn

Mrs. Jennie H. Peters, a new member, was welcomed. Pinocchio and other games were played during the afternoon. Those winning prizes were Lumeta Durbin, Peggy Gibbons, Art Lindner, Gussie Munstermann, Edgar Paddock and Tom Crawley.

Ave., whose 1968 Chevrolet wagon had a window broken out by pellets; Robert Hull, 3100 Ash Ave., whose 1976 Toyota had a window broken; Grant Wyatt, 3109 Ash, whose 1968 Ford was damaged.

Gary Thornberry, 3133 Ash Ave., had a broken window on the driver's side of his 1973 Ford; Clarence Ribnour, 3153 Willow Ave., a door window on his 1971 Lincoln; Curtis Sumner, 2105 Glen Drive, a rear door window smashed on his 1967 Chrysler.

Lee Sprankle, 3232 Wayne Ave., driver's window broken on a 1961 Chevrolet, belonging to the Secretary of State's Office; Allen Little, 2288 Gary Ave., left rear window on a 1971 Dodge; Kenneth Taft, 3069 Forest Ave., rear window on a auto; and Joe Lemaster, 2300 Wilson Ave., driver's door window on a 1972 Ford.

Other calls received Saturday morning involving shattered windows on vehicles were from: Melvin Stamper, 3013 Washington Ave., whose 1978 Impala station wagon was damaged; Gary Fouch, 1615 Clark Ave., a shattered driver's side window on his 1978 pickup; and Janet White, 3264 Wabash Ave., a broken window on a 1972 Malibu.

All of the vehicles were parked at the curb in front of the owners' residences.

85 SPEED ALLEGED Donald McNew Jr., 21, of 3008 E. St. and Ronald L. Daugherty, 26, of 5009 Lewis Ave. were arrested at 2:15 a.m. Friday at Pontoon and Nameoki roads on charges against both of speeding 85 miles per hour in a 35-mph zone and fleeing from police.

## Charge youths with assault

Geoffrey L. Ely, 18, of 2627 Highway 3, and Timothy G. McCoy, 18, of 1629 Fifth St. Madison, were arrested and charged with assault Jan. 1 a.m. Sunday, about 40 minutes after a woman told police a car occupied by two men had followed her vehicle.

Nora Chancellor, 2527 Madison Road, said a light blue Vega wagon with two men inside began following her truck while she was traveling on old Route 3 passed the Asia and A.G. Smith plants and almost struck the back of her vehicle while she was crossing the tracks.

On West Pontoon Road, the Vega pulled alongside and the men began yelling obscenities. One of the occupants also started waving a knife at her.

Miss Chancellor drove to Jack-in-the-Box restaurant where she and a companion contacted a police officer and a description of the vehicle was given.

Forty minutes later, a vehicle matching the description and occupied by Ely and McCoy was hailed on Route 203 at Courtenay Boulevard.

A sharp knife with a black handle allegedly was confiscated from Ely.

FROM HARDY TO SPEAK TO HISTORY GROUP

Waldo Fromhardt will discuss the historical achievements of his late father, Louis Fromhardt, former superintendent of schools for Granite City, during the first meeting of the year for the Old Six Mile Historical Society at 7:30 p.m. today in the meeting room of Tri-Mor Bowl.

Also at the meeting, Mrs. Georgie Engelke, chairman of the membership drive will announce the kickoff of this year's drive to discuss membership activities. The meeting is open to all who have an interest in this area's history, according to President Ronald Coleman.

DECEPTION ALLEGED Theft by deception was alleged Thursday in a complaint filed by Robert Simcus, Belleville, of the New Era Company. He said there were insufficient funds to support a \$700 check he had accepted for new tires delivered to a Granite City.

## International student group to meet Wednesday

The Belleville Area College International Student Organization is inviting all district residents to the group's first meeting this fall at 1 p.m. Wednesday, Sept. 16.

The meeting, which will be in the cafeteria garden room at the college's main campus, 2500 Carlyle Road, Belleville, is open to foreign residents of the district, their sponsors and anyone interested in the organization.

The organization will sponsor an International Day at the college in mid-October, including exhibits, dancing and food from around the world.

The group was organized to assist those from other countries in learning about the United States while sharing their cultures with students here. Members of the group learn those who need help in English or other course work.

PLEAS GUILTY Gary D. Dugan, 27, of 2335 Rock Road, reported to police headquarters at 9:40 a.m. Friday in response to officers holding two warrants for his arrest. Both warrants alleged deceptive practice. He appeared before a judge at 10:10 a.m. Friday, pleaded guilty and was fined \$175 and ordered to make restitution.

**\$61 million**  
(Continued from Page 1)

\$4.6 million (7.4 percent) and the campus here budgeted for an increase of \$1.5 million (12.4 percent).

Funds in the non-appropriated category include income received in support of research and other programs sponsored by governmental entities and private foundations and corporations.

Also, revenues received as reimbursement of indirect costs on sponsored programs; funds from operation of revenue bond financed auxiliary enterprises, principally housing and student center operations; and revenues from other self-supporting auxiliary enterprises and activities which are funded primarily by student fees and operating charges.

The increase in state appropriated funds provides salary increases averaging eight percent for all employees and, effective Jan. 1, 1982, an average increase of two percent for most employees, based on "catch-up" needs.

It also provides price increase funds of four percent for goods and services other than utilities, and 15 and 14 percent for utilities at SIUE and SIUC, respectively; \$139,800 for operation and maintenance of new space in SIUC's School of Law building; and \$1,022,200 for programmatic and other needs.

The latter figure includes \$124,000 for equipment replacement and \$100,000

for program support of engineering at SIUE, plus \$240,000 for library materials and \$200,300 for program support, primarily of the School of Law, at SIUC.

The budget also reflects \$2,538,300 in reductions in employer retirement contributions, based on the Bureau of the Budget's analysis of the five State of Illinois retirement systems.

There are \$2,475,400 in state-imposed reductions to the base budget of the SIU system, including a one percent reduction in the salary base, implementation of financial guidelines, and comparative cost analysis reductions.

Trustees set yearly salaries at \$83,500 for Chancellor Kenneth Shaw, \$67,500 for SIUC Pres. Albert Somit and \$62,700 for SIUE Pres. Earl Lazerson.

Dr. Shaw's pay now includes \$12,840 formerly provided as a housing allowance. Some legislators have opposed the allowance.

SIUE was authorized Thursday by the SIUC board to apply for a \$3.5 million construction loan under the federal College Housing Program.

If granted by the federal government and accepted by the board, the loan would assist in funding the proposed new student housing project here.

Five improvement projects at Southern Illinois University at Edwardsville, costing a total of

\$365,000, were authorized Thursday by the trustees. The plans will be submitted to the Illinois Board of Higher Education for review and approval.

Dedicated "non-institutional capital improvements," the projects are: —Installation of four additional high-mount "light standards"; and replacement of light fixtures along pedestrian walkways and roadways, \$135,000.

—Construction of a \$64,000 parking lot adjacent to the Broadview Building in East St. Louis, \$20,000.

—Construction of a connector at the north end of the University Drive oval to reduce the angle of intersection with the two-lane roadway, \$100,000.

—Construction of a right-turn lane at the east campus entrance intersection University Drive and Illinois Route 157, at a cost of \$40,000.

—Replacement of a bituminous surface with concrete at the north campus entrance intersection of University Drive and Pong Road, \$70,000.

All of the projects are to be funded from the sale of parking decals and collection of parking penalties.

Also approved was a non-instructional capital improvement project for SIU at Carbondale. The project proposes the purchase of a mini-bus for the travel service fleet at a cost of \$25,000. Travel service fees charged to users of the bus will be the source of money for the purchase.

**KC marks 100th anniversary**

## Invites all working women to BPW dinner

All working women in the Quad-City area are invited to attend the Granite City Business and Professional Women's dinner meeting at 6:30 p.m. Wednesday at the Madison Recreation Center, Seventh Street and Lee Avenue, Madison.

The dinner will be a potluck affair, with local BPW members providing covered dish food items or dessert, plus a \$3 fee to cover a meat entree.

Non-members will be asked to contribute \$3 at the door, but are not required to furnish food items.

Reservations may be made in advance by calling Charlotte Johnson, 831-1408 or Elvira Thurber, 876-3618, both after 5 p.m. or Barbara Young at 877-8818.

Ollie Derr, BPW president, said the program will focus on various aspects of the local, state and National Federation of Business and Professional Women, including its purpose, objectives and organizational structure which involves a total of 165,000 women in all states.

Mrs. Derr said state and district officers and chairmen attending this week's dinner will present a panel discussion program.

Keynoting the program will be Gloria Goldschick, who is employed in the construction sales and marketing division of Ralph Korte Construction Co.

She resided in Granite City from infancy until high

school age and is active in the Highland Chamber of Commerce and Parent-Teacher Association.

Mrs. Goldschick is the current president of Highland BPW Club and chairman of BPW District 14 speaker's bureau.

She won the Illinois Individual Development speech-off contest in 1979.

The panel moderator also will describe the symbolic BPW emblem in story form with Annabel Woodring, District 14 parliamentarian, and a skit will be performed about the rights of working women by Rose Elial, Ruth Bradley and Sharold Yount.

Panelists and the program area they will cover, including: Foundation—Mary Rottmann, District 14 first assistant director; finance—Marilyn Bromaghin, second assistant director; membership—Eve Smith, district membership chairman; public relations—June Chidress, former district treasurer.

Legislation—Norma Mendoza, Illinois BPW Federation state legislative chairman; Young Careerist—Mary Lou Malwitz, District 14 Young Careerist chairman; IDP—Lois Wetton, District 14 director; bylaws—Jenene Biggerstaff, District 14 adviser; and program—Annellen Smith, Illinois BPW Federation president-elect.

## Special Education parents to hear new Region I director

Steve Baylen, the new Special Education director for Region I (Granite City, Madison and Venice) replacing Larry Dew, will be the guest speaker at the regular meeting of the Parents for Special Education on Sept. 15. The meeting will begin at 7 p.m. at Central Christian Church, 2020 Johnson Road, (use rear entrance and parking lot).

There will be sifter service available for parents who wish to bring their children. On Friday, Sept. 11, a dance for handicapped adults, ages 15 and over, will take place at the Venice Recreation Hall, 323 Broadway from 7:30 to 10:30 p.m. Howard Bollen and Stagecoach will perform with the theme being "Western Night." Donation is \$1.

A roller skating party is planned for Monday, Sept. 21 at the Stardust Skating Rink, 3965 Lake. It begins at 6 and

is over promptly at 8 p.m. Any age child may attend and parents are invited to observe or help beginners.

Bowling is held every Saturday at the Granite City Army Depot. Fall times will begin on Sept. 12. Bus pickups will be at St. John's parking lot, 2901 Nameoki Road at 1 p.m. and the Press-Record parking lot at 1:15 p.m. Bowling starts at 1:30 p.m. and will be over at approximately 3:30 p.m. There is no chaperone at this pick-up points. Any age child may attend and parents are invited to observe or help keep score. There is a \$1 fee for three games including shoes and the annual banquet.

A dance at the Niagara School in Alton will be held on Sept. 25 for those 15 years old and over. For transportation arrangements persons may call Kay Hahne, dance chairman, 451-9832.

## Webster PTA meets tonight

Webster School Parent-Teacher Association will hold its first meeting of the new school year at 7:15 p.m. today at the school.

Dawn Oliver, president, said the parents of all pupils are being encouraged to attend and meet members of the faculty who will be introduced.

In the business session, the 1981-82 budget will be presented and adopted. Refreshments and a social hour also are planned. Mrs. Oliver said.

## Committee studies

(Continued from Page 1)

licensed or the owner would face a fine. The supplier of the machine also may be held accountable, it was indicated.

Papa said the city's current law licensing proprietors and suppliers is being challenged in court and the city is having a difficult time showing that there is a correlation between the \$500 license fee and the city's cost of enforcing the license ordinance.

"You can't have a licensing ordinance which is a money-raising ordinance solely. We can argue that a \$500 per machine cost is our cost of checking the license," he said, adding that if the city inspector checks the machine for a sticker five times a year, that would amount to \$10 a check, which is a justifiable amount.

"Frankly, I think a \$50 fee per machine is justified and we can eliminate the operator and proprietor licenses," Papa added.

Fisk noted, "If an operator has 100 machines, we are talking about \$5,000 a year," and he indicated he wondered if that would drive any suppliers out of business. The committee agreed that the profit from the successful coin-operated game and vending market would still make it profitable to supply the games, despite a \$50 license.

"We are going to have a lot of back on the fee," Fisk predicted. Nighossian suggested that the fine for having an unlicensed machine in operation should be \$25 to \$100 for the first offense, \$150 or \$200 for the second offense and higher for the third offense with a enforcement after the second offense that each day the

violation occurs be considered a separate offense.

"The word will get out, especially if the penalty is stiff enough," Nighossian predicted.

Asked about penny gumball machines, Papa said the council may wish to exempt machines operated by charitable organizations, such as the Jaycees, or similar groups which place gumball machines at establishments. Asked about small vending machines such as the ones which return a small plastic ring or plastic animal for a quarter, Papa said he thought the \$50 annual fee should apply to them. "I would have to say they cost the same to inspect," he said.

Brewer said he fears that a blanket \$50-a-year license on coin-operated machines would also include coin washing machines and might force apartment building owners to remove the machines they have there to service the needs of the tenants.

Committee members said they should investigate whether such machines are exempt because they are private property. On the other side of the coin, games and machines in taverns and restaurants are in privately-owned property.

Nighossian said the ordinance could be written to exclude coin-operated washing machines and dryers, if the city council wished.

The question of an age limitation for playing pool, billiards, pinball machines and video games was brought up by Fisk, who contended that the city's current limitation of 18 is "totally

unenforceable," and should be changed. Nighossian said, "There is a serious legal question whether you can tell a child how to spend his money."

Fisk showed a copy of a newspaper article predicting that the supreme court will decide this month whether youths under 18 have a constitutional right to play coin-operated amusement games. A 1976 Mesquite, Tex., ordinance banning minors from entering an amusement charged with being accompanied by a parent or guardian is being challenged.

The circuit court and U.S. District Court ruled that the ordinance was invalid and in violation of the First Amendment right of youths to "social association." Mesquite appealed to the U.S. Supreme Court.

Fisk proposed that the age limitation be eliminated and no opposition was expressed. Papa then was asked to prepare a "tentative ordinance" for the council to study and amend. The ordinance is likely to include the \$50-a-year fee on all coin-operated devices in public places, to make the proprietor of every establishment responsible for seeing that every machine has a license sticker and setting the suggested fines for violating the ordinance.

The council can then decide whether it wishes to exempt machines placed by charitable organizations, whether to exempt washing machines, dryers and newspaper vending machines, and can make other changes deemed necessary after public comment on the proposal. The annual fee per machine also may be amended, if the council chooses.

## Arrest quartet outside tavern

Responding to a call that a group of eight to 10 men were gathered in the parking area and on the sidewalks at Victor's Tavern, 2001 Illinois Ave., at 12:33 a.m. Saturday, police asked the men to disperse.

Four men allegedly refused to comply with the officer's request and were arrested and charged with disorderly conduct.

Booked were Tommie C. Sloan, 27, of 2825 Denver St., Timmy C. Creek, 21, of 3032 Missouri Ave., Edward Creek Jr., 50, of 2032 Missouri, and Danny R. Poe, 22, of 2433 Logan Ave.

All were released on payment of \$35 cash bonds later the same night.

CHIROPRACTIC PHYSICIAN

### "STRESS BACKACHE"

In this country, over six million Americans suffer from backache. In fact, the "stress backache" associated with high-pressure living... has just about replaced the ulcer as the new status symbol.

Neither the ulcer nor back pain can possibly add enough status to justify the suffering they cause. However, once you have had a stress backache, you can expect it to re-occur. It will not simply go away unless treated, that is certain. It may not be possible to eliminate stress from your life, but chiropractic care is often effective in treating the backache.

## Abandons truck after accident

Lois Thorndyke, 42, of 735 Ashland Ave., Mitchell, sustained injuries at 11 p.m. Friday when the car she was operating was struck by a blue 1971 Chevrolet truck which crossed the median and was abandoned by its driver near the scene.

The accident occurred at E. 23rd Street and Nameoki Road.

Mrs. Thorndyke was turning north from E. 23rd Street onto Nameoki Road when the truck crossed the median, traveling south in the northbound lanes for about 200 feet, and struck the woman's auto.

The truck's operator, driving without lights and at a high rate of speed, according to Mrs. Thorndyke, continued west on E. 23rd Street and went into a yard at 2814 E. 23rd, where the vehicle hit a tree and the driver fled on foot.

### Cyclist enters new Total Teller

Gary W. Crone, 32, of 1415 Seventh St., Madison, apparently lost control of the motorcycle he was operating northbound on Madison Avenue at 4:35 p.m. Saturday and crossed the median, southbound traffic lanes and sidewalk and ended up in the plate glass window at the new Total Teller banking facility in the 800 block.

Crone suffered lacerations to the abdomen, left arm and nose, contusions to the chest and abrasions to the right arm and both legs. He was admitted to St. Elizabeth Medical Center.

A passerby said a moment or two before the crash, Crone's hat blew off and he had stopped the machine, retrieved it and started off again at high speed.

Crone was charged with destruction of property, careless driving, violation of classification and driving while his license is suspended. He was released on notice to appear.

### Fight bus system

(Continued from Page 1)

The development agency also operates Parks Airport and the trains within the Gateway Arch. Bi-State serves as the regional port planning body, and has been developing a trash-to-energy recycling program.

Its yearly budget would shrink from \$81 million to \$2 million if Bi-State, formed in 1949, gives up control of the bus system it created through mergers in 1963.

After his visit to urban mass transit officials Sept. 9 and 10 in Washington, Mayor Schoemehl said his earlier estimate of "three hours" for a transit system takeover now may involve more time.

He said he and McNary should appoint transit board members and commented that Wilson—but not Houghton—would be acceptable as the manager of a new bus agency.

Schoemehl told the Belleville gathering, "If it's a matter of principle of the Illinois entities that you've got to have representation, I think all that should be put on the table."

He said later that representation on a new governing board should be based on subsidies and farebox collections. Some projections show the percent financing of current bus costs by St. Louis County, 27 percent by St. Louis and 19 percent by Illinoisans (state and local government).

Schoemehl also encountered opposition to the takeover at an informal

meeting of St. Louis aldermen Friday afternoon.

And St. Louis County Councilman George Corcoran of St. Ann said during the weekend, "I don't want constituents calling my office about dirty buses or late buses. With 135,000 constituents in my district, I get enough other complaints."

In addition to the sales tax revenue Illinoisans contribute, the local population size has been considered when Washington officials determine the amount of federal funds to turn over to Bi-State for purchase and operation of buses.

The Madison County Transit District has been given a voice in shaping the bus service provided in this county but has been unhappy with the amount of local hiring and with the absence of a bus garage in Madison County.

Chairman William Haine of the Madison County Transit District and St. Clair County officials have said a \$1 purchase price for the bus system would be inadequate in view of the major investment of money over a period of years.

They said that they fear losing "input" into decisions if a new system is formed.

Illinois law would have to be changed before sales taxes could be channeled to other bus agencies than Bi-State, and approval by both governors would be needed for the release of federal transit funds to a new district if one is formed.

### Engine pushes semi along track

A 1979 International tractor-trailer was pushed about 100 feet down the railroad tracks after being struck by an Illinois Central Gulf engine at 8:07 p.m. Friday.

The incident occurred at the Niedringhaus Avenue railroad crossing and resulted in minor injuries to the truck driver, Bradley Ruyle, 26, of Carrollton, who had X-rays taken at St. Elizabeth Medical Center and was released.

Ruyle told police the crossing gates were lowered, but some people were working at the side of the road near the tracks and he thought the gates were down because of the workers.

### Tommy Barnett to lead local revival

The Rev. Tommy Barnett, pastor of the First Assembly of God Church in Phoenix, Ariz., will deliver a sermon on "End-Time Harvest" during the "four spectacular days" religious gathering now in progress at Tri City Park Tabernacle.

Copastor of the Phoenix church, the Rev. Harold Hefflinger will speak on the sermon topic of "How To Bring The Harvest In" at the 7 p.m. services tonight, according to the Rev. Jim Parks, host pastor.

Rev. Barnett assumed the duties as minister of the Phoenix church in December 1979 when the pastorate was averaging 250 in Sunday School. The attendance grew through the years and now has an average of 4,000 present at services.

In March 1980 a bus ministry was initiated with the purchase of five buses and by the end of the year a fleet of 19 buses were in operation. The Easter 1981 Giant Rally broke all records with 11,519 in that bus ministry attendance. Total attendance for the church was 15,790, according to the announcement.

Rev. Barnett is also the host twice weekly of the Praise The Lord program at Trinity Broadcasting Co. in Phoenix, where, his wife, Marja, is co-host. They are the parents of three children.

## McKechan: 'No excuses—we got beat'

By PETE HAYES  
Sports Editor  
of the Press-Record

North-Roxana —Page 9

**BELLEVILLE** — All his coaching career, he had waited for this day. Jerry McKechan, former player, had finally returned as head football coach at his old school, Granite City South. But McKechan will have to wait a while longer for his first victory following Saturday's 62-0 humiliation at the hands of defending Southwest Conference

champion Belleville East. East rolled up an amazing 493 total yards of offense enroute to its eighth straight victory over the Warriors, who were coming off a 0-9 record of last season. McKechan, who became head coach

after the resignation of former head man Stan Wojcik after last season, was reconciled to the defeat. "We've got no excuses," he said. "We just got beat. There are some boys here hurt for us and getting the last year (because of the teachers' walkout in Granite City) set us back some. But East's got a heck of a ball club. We did some things wrong today. But we'll get better."

It wasn't that East coach Dean Rynn was purposely trying to run the score up. Everybody on the Lancers' bench got into the game. In fact, East used four quarterbacks. It just seemed that even when things went wrong for the Lancers, they came out smelling like a rose. "We try to control the score by substitution," said Rynn. "I don't think you have to beat a team by 62 points to prove you're better."

"But we felt we had to play the starters at least the first half. Everybody played, though." Leaving the starters in the entire first half proved more than enough for East. The Lancers had rolled up a 42-0 intermission lead and the outcome hadn't been in doubt since the first quarter. The first six times the Lancers had the ball, they scored. They led 21-0 at the end of the first quarter. Perhaps the

worst thing that happened all day for them was that placekicker Kendall Nix missed his first extra point attempt of the afternoon. But they got it back on a two-point conversion following their second touchdown. To show just how fruitless was the South cause, consider this play: With 1:50 remaining in the second quarter, a South punt by Rick Dally had the

## Lanphier runs to North title

**GRANITE CITY** — Springfield Lanphier showed surprising early-season strength and won the 10th annual Granite City North Cross Country Invitational here Saturday.

Lanphier finished the meet with 85 points, plenty to beat out second-place Kirkwood which finished with 103. Hazelwood Central was third with 135. The individual winner was Belleville East's Paul Compers, who finished in a time of 13:42. Larry Benz of Kirkwood was second in 13:44. "It's a tough to break 14:00 on our course any time," said North coach Pete Robinson. "But we had two guys do it today. I thought the area would be weak this season. But after these times this early in the season, I might be wrong."

East St. Louis Lincoln finished fourth with 175 points, followed by O'Fallon 185, East St. Louis 187, East 192, Granite City South 206, Belleville West 234 and Hazelwood East 251 to round out the top ten. Granite City North finished 14th in the 21-team field with 346 points.

South's David McLean was the highest local finisher in fourth place with a time of 14:03 and teammate Jim McQuaid was 24th. North's highest finisher was Ken Meyer in 28th.

Hazelwood Central won the girls division and East St. Louis won the freshman-sophomore division.

## Mt. Carmel defeats Mascoutah

**MASCOUTAH** — The Mt. Carmel Golden Aces came from behind here Saturday to surprise Mascoutah 20-14 in a non-conference season-opener.

Mascoutah jumped out to a 14-0 lead on touchdowns by Damon Bishop and Chuck Waelz before defending North Egypt Conference champion Mt. Carmel began its comeback. John Rafferty scored the Aces' first TD on a two-yard run in the second quarter. The PAT attempt failed. In the third quarter, Marvin Mitchell scored on a one-yard run, but the PAT was again no good.

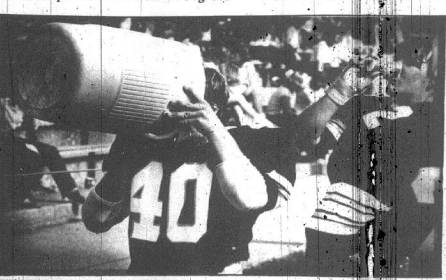

The Aces' winning score came when defensive tackle intercepted a Waelz pass and ran it in 33 yards for a touchdown. Rafferty ran for the two-point PAT.

## A long afternoon

## Cowboys continue hex over Cardinals, 30-17

By HARRY JENNINGS  
for the Press-Record

**DALLAS** — The cards were stacked against the Cards, so to speak. Regular quarterback Jim Harrel was out with a knee injury. All-Pro receiver Mel Gray was out. A rookie was making his first start at QB.

It was all too much here yesterday. The Dallas Cowboys dumped the St. Louis football Cardinals 30-17 at Texas Stadium to run their record to 2-0. The Cards fell to 0-2. But it didn't come without a fight from the Red. And at times, they looked like they might pull off a miracle, ala "The Cardiac Cards."

Neil Lomax, the Cardinals' number two draft choice out of Portland State, started at quarterback and was impressive, despite the statistics which would tend to prove otherwise. He was 14-of-41 for 295 yards and two interceptions. But several of his passes were dropped and several more were just inches wide of the receivers' outstretched hands — all signs of a young quarterback. "I was pleased with his performance," said Cardinal quarterback Jim Hanifan. "He's got a lot to learn, but I think he performed fairly well. He's definitely got a future with this club."

The highlight of the afternoon for Lomax came after Dallas had already claimed a 7-0 lead on a one-yard run by Ron Springs. Lomax dropped back to pass, avoided the rush by running to his right, and spotted Willard Harrell streaking down the field. He hit Harrell with a perfect strike for a 62-yard touchdown.

But a four-yard run by Springs and PAT by Rafael Septien quickly made it 14-7. It seemed the Cardinals' defense wasn't quite doing the job.

Then came perhaps the most crucial play of the afternoon. On a fourth-down and one yard to go at the Dallas 14-yard line, Hanifan decided to go for the first down rather than attempt the almost sure-thing field goal. But running back Stump Mitchell was stopped for no gain on the play and the ball went over to the Cowboys. "We should have made the damn yard," said Hanifan. "It was an off-tackle slant and we had two guys blocking the same guy. That left somebody else free. That somebody else was Cowboy linebacker Bob Breunig came up and met Mitchell head-on."

"There's no doubt about it," said Hanifan. "We should have at least been

even with Dallas in the first half. But we didn't make good on our opportunities." After taking over the ball at their own 14, Dallas drove down the field until stalled. Septien made good on a 47-yard field goal to make it 17-7.

Dallas scored the next time it had possession of the ball. And guess who scored again? Springs. He snuck in from a yard out. It was 24-7.

Theotis Brown, who sustained a sprained ankle in the first quarter, came back and scored the last Cardinal touchdown of the game late in the second quarter. And it was an effort in sheer determination. With the ball on the Dallas 11-yard line, Brown took the handoff from Lomax and was hit once

behind the line of scrimmage. He shook that tackle and two more before bullying his way into the end zone. Neil O'Donoghue's PAT made it 24-14. But a Septien field goal made it 27-14 at halftime.

The highlight of the St. Louis scoring drive came on a 60-yard pass completion from Lomax to Roy Reen, who is normally a defensive back.

Both teams' defenses shored up in the second half. The only scoring was a field goal by each placekicker.

St. Louis will return home to Busch Stadium next Sunday to face Eastern Division rival Washington. Both teams are 0-2.

## Breese dumps 'split personality' Trojans

By ROGER KRAMER

For the Press-Record

**BREESE** — Two different versions of the Madison Trojans opened the season Saturday in their 20-8 loss to Breese Central in a Quad-County Conference game.

One version played the first half. It lost 16 yards with its rushing game and gained only 13 yards passing. It allowed quarterback Mark Zarr to be sacked three times, and gave up the ball five times. It lost 13-0.

The other version of the Trojans gained 64 yards rushing in the second half. Its defense penetrated through the Central line four sacks. It won 8-7. The mistakes of the first half gave Central its first victory since the 1979 season. The Cougars were 0-8 last year.

"They were a little confused out there the first half," Madison coach Al Von der Haar said. "They forgot some of the little things that had to be done. It was frustrating when our punter kicked only 15 to 20 yard punts when he was a conference punter averaging 40 to 42 yards a game last year. Our penalties also hurt us."

"If we had played the first half like the second, it would have been a different ball game," Von der Haar added. "Things were so frustrating for the

Photo page 9

Trojans the first half that when Zarr completed his first pass of the game in the second quarter, tight end Danny Stern fumbled the ball to the Cougars. That fumble set up Central's first touchdown.

After the fumble, halfback Dave Strleker ran the ball from the 23 to Madison's 12 yard line. On the next play, quarterback Tim Hopcus threw to Jeff Soils for the touchdown. Strleker kicked the extra point.

Later in the quarter, Zarr attempted a play action play, but he fumbled just before the Cougars sacked him, and Central had the ball at the Madison 13 yard line.

Strleker brought the ball to the one yard line, and on the next play, fullback Hobie Timmons pushed through the line for the touchdown. The Trojans blocked the extra point attempt.

Madison gave Central many chances to score in the first half. Besides the five turnovers, Zarr punted the ball twice for a total of 28 yards. The Cougars started all seven of its drives inside the 50 yard line.

## O'Fallon outlasts Rams

O'FALLON — The  
O'Fallon Panthers opened  
their season here Friday

night with a thrilling 8-6  
victory over non-conference

foe Mount Vernon.  
O'Fallon won the game

despite 165 yards in  
penalties. The Panthers got

their points in the middle two  
quarters. In the second

quarter, Panther Kevin  
Musser tackled Rams

quarterback Steve McCoy in  
the end zone for a two-point

safety. In the third quarter,  
Brent Saunders caught a 20-

yard touchdown pass from  
quarterback Troy Robinson.

The PAT attempt failed.  
Mount Vernon scored in

the fourth quarter on a one-  
yard run by McCoy. The two-

point conversion attempt,  
which would have tied the

game, failed.  
O'Fallon had 194 total

yards to Mount Vernon's 128,  
including only 18 on the

ground. O'Fallon will play at  
Granite City South next

Friday night.

Cahokia 30,  
Poplar Bluff 0

POPLAR BLUFF —  
Stacey Blackman's 120 yards

rushing led Cahokia to a 30-0  
season-opening win over

Poplar Bluff here Friday.  
Blackman scored two touch-

downs on runs of 15 and 28  
yards.

Mike Millatti scored on a

Wood River 27,  
Mater Dei 13

BREESE — Wood River's  
Oilers won their first game

in two years here Friday  
with a 27-13 victory over

Breese Mater Dei.  
Wood River led 24-6 at

halftime.  
Mike Streep led the

Oilers running attack with  
119 yards in 13 carries. Wood

River outgained the Knights  
265-118 on the ground.

Saturday.  
Hickman 17,  
Alton 14

ALTON — The Alton  
Redbirds lost a squeaker to

powerful Columbia. Mike  
Hickman here Friday night

17-14. Columbia's Jim  
Holinger kicked a 20-yard

field goal with 36 seconds

remaining for the victory.  
Alton scored first on a 37-

yard run by Doug Williams  
but Columbia tied it on a TD

by Todd Critchfield. The  
Redbirds regained the lead

on a one-yard plunge by  
Williams. Columbia's Sam

Barbee tied it with a one-  
yard run of his own.

Alton, which had two long  
touchdown runs called back

because of penalties  
outgained the Kewpies 240-

213 in total yardage. It was  
the season-opener for both

teams.

BELLEVILLE —  
Belleville West rolled up 257

yards on the ground here  
Friday enroute to a con-

vincing 42-14 victory over  
defending Class 4A state

champion Belleville Althoff.  
The Maroons were led by

Tony Bedwell's 125 yards  
rushing. Althoff managed

only 44 yards rushing.  
West jumped out to a 21-0

halftime lead and never  
looked back.

## Champion new Rend Lake coach

SPECIAL  
INA — Rend Lake College

has a new baseball coach,  
and he's a winner.

Matter of fact, he's better  
than that. He's a Champion.

Kirk Champion, 24-year-  
old Granite City native who

has spent the past three  
seasons as the assistant

coach at Southwest Missouri  
State University in

Springfield, takes over the  
Warrior reins just a week

before Kaskaskia opens the  
fall campaign with a Sep-

tember 12 Southern Illinois  
College Conference date in

ina.  
Champion pitched and

played outfield for the Tri-  
City Post 113 American

Legion team from Granite  
Athletic Director—Men's

City which finished second in  
the state in 1976. The

following year, he succeeded  
his father as coach of that

squad and again led the team  
to the state playoff. He was

named District 22 Coach of  
the Year.

Prior to accepting a  
coaching assignment at

Southwest Missouri State his  
senior season, Champion

pitched the past 10 years  
whose teams won 312 games,

and assistant Kelly Mum-  
mover both resigned in mid-

August.  
Champion chose to walk on

# Roxana hands North opening game loss, 23-0

GRANITE CITY — The Roxana Shells handed Granite City North a 23-0 opening game loss here Friday night. And North head coach Tom Wyrostek said things just never got started right for the Steelers.

"We just got started off on the wrong foot," said Wyrostek. "Maybe we've been working the team too hard. Maybe we had them out on the field too long. But we had a lot of work to do."

Wyrostek referred to a teachers' walkout in Granite City that set the Steelers back nearly five days in practice time.

But Roxana had no

teachers' problems. And the Shells had very little problems with North.

To say things started out on the wrong foot for North would be to understate the fact. Darren DePew kicked off for the Steelers, booming the ball into the end zone. But Roxana's used a double-reverse on the first play from scrimmage. The result was a 30-yard touchdown. There was 11:45 remaining in the first quarter and it was already 7-0. "We really faked Granite out on that play," said Roxana head coach Charles Raich. "They were playing up so close and didn't see who had the ball."

"We just made a mistake on the play," said Wyrostek. "Both of our defensive men hit the fullback. Too bad he didn't have the ball."

Later in the first quarter, Roxana's Tony Biciocchi recovered a Steelers fumble at the North 38-yard line. Two plays later, quarterback David Price threw an 11-yard touchdown pass to tight end Brad Haug. The PAT made it 14-0.

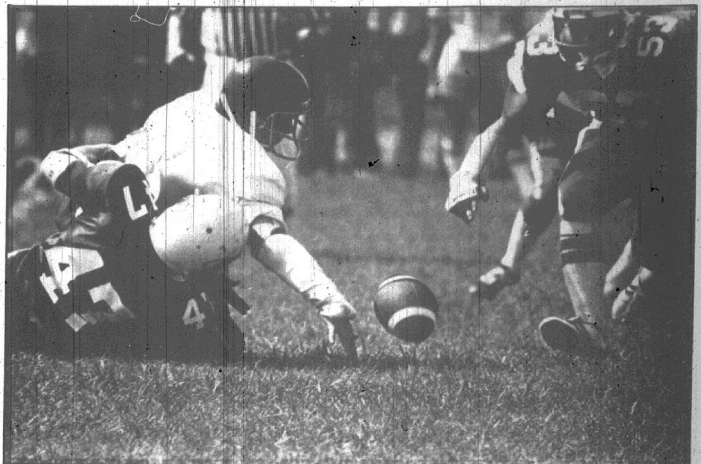

The Shells' only score in the second quarter came when Biciocchi nailed Steelers David Davis in the end zone after a pitch-out for a two-point safety. At halftime, it was Roxana 16,

Granite City North 0.

After a scoreless third quarter, Roxana defensive back Scott Fitke intercepted a Steelers pass and ran it in 23 yards for a touchdown to finish the scoring.

"I don't want to take anything away from Roxana," said Wyrostek. "They can't after us. They always do. But we played under a lot of adversity, so I'm not too worried about the mistakes. If things had been normal, I might be a little more upset."

North will host non-conference rival Collinsville next Saturday.

**LOOSE BALL.** The good news was that Madison's Danny Stern (in white) caught Madison's first pass of the afternoon from quarterback Mark Zarr. The bad news was that Stern fumbled when tackled by Breese Central's

Hobie Timmons (47). Central's Keith Furman (53) recovered the fumble and set up his team's first touchdown in its 20-8 victory Saturday in Breese. It was the Quad-Country Conference opener for both teams.

## South kickers bomb Southeast

GRANITE CITY — It was business as usual for the Granite City South soccer team, which won Thursday. And head coach Gene Baker thought it was a welcome sight.

After playing cross-town rival Granite City North to a scoreless tie last Tuesday, South hammered Springfield Southeast at The Gauntlet 6-0. South had an embarrassing 29-2 lead in the shots-on-goal statistics.

"It was a good one for us," said Baker. "We haven't really been scoring that much. It's

always good to get one like this under your belt. It helps in confidence of the players."

South's diminutive Fritz Brewer (he stands 5-0 and weighs in at 95 pounds) scored his first goal at the 6:00 mark of the game. He lofted a chip shot from about 15 yards out that went into the goal just under the crossbar.

"Fritz has started to play very well for us," said Baker. "He's coming into his own."

The second goal by South probably glued the Spartans to their wires

in for a long afternoon. On a two-on-two break at midfield, South's Matt Sheridan tried to hit teammate Ed Cowley with a pass. But the Springfield Southeast goalie came out of the nets to grab the ball. A defender, meanwhile had the idea to kick the ball back to his goalie — who wasn't there. The ball went into the net and Sheridan got credit for the goal.

"It's a shame for the goalie, but we'll take it," said Baker.

Scott Vickers made it 3-0 at the 7:00 mark of the second quarter when he

took an assist from teammate Jim Kelahan and booted the ball into the nets. South was up 4-0 at halftime after Kelahan scored on his own unassisted.

Vickers scored his second goal of the afternoon midway into the third quarter unassisted. South All-Stater David Williams rounded out the Warriors' scoring with an unassisted goal at 4:03 of the fourth quarter.

Williams led in corner kicks 13-1 and it fouls 17-16. Warrior goalie Bryan Willis had to make only one save.

## Dix at Wright

DAYTON, Ohio — Tim Dix, a freshman from Granite City South, is a member of the 1981 Wright State University soccer team under first-year coach Alan Zaharako. WSU was 12-2 last season and ranked ninth in Ohio.

Dix played on three Illinois state championship teams during his

career at Granite City South High School. He won the Midfield Award as a senior on last year's 26-2-1 team. He also lettered in track and hockey.

"Tim came into camp in the best condition of anybody on the team," said Zaharako. "That alone tells you that he is prepared and serious."

Lancers pinned back on their own 12 yard line. Two straight illegal motion penalties made it first-and-20 at the three-yard line. But an off-tackle run by fullback John Gregorich picked up 30 yards. As he was tackled, he lateraled the ball to teammate Billy Fields who raced untouched down the middle of the field the remaining 64 yards for the touchdown. Even when things went wrong, they were right.

## Trojans

(Continued from Page 7)

The three times Zarr was sacked came on third down situations when the Trojans were trying play action plays. Von der Haar said Zarr wasn't helping himself in those situations.

"It's partly Zarr's fault because he wasn't carrying out the fake. If the defense doesn't respect the fake, then he's going to be in trouble every time. If he goes straight to pass, the defense will blow through the line every time," Von der Haar said.

**CAPTAINS PICKED**  
CHAMPAIGN — The University of Illinois football team has chosen quarterback Tony Eason (Walnut Grove, CA.), linebacker Ron Ferrari (Moweaqua, IL.) and linebacker Jack Squirek (Valley View, OH.) as its tri-captains for the 1981 season.

Eason, a junior eligibility-wise, earned the starting quarterback job this summer and will represent the offensive unit.

Gregorich recalled the play. "My first thought was the touchdown," he said. "Then I saw the defensive man over on the right and Billy on my left. So I moved him to my right (the defender) and pitched it back to Billy."

On the South side of things, it was obvious early what the Warriors game plan would be — P-A-S-S. Quarterback John Linhart, who could be one of the most prolific signal-callers ever to play at South, didn't get much of an opportunity to show what he could do

against East. But nonetheless he was 16-of-25 through the air for 131 yards. That was most of South's offense. The Warriors managed only 97 total yards on the ground.

East senior quarterback Rick Schmidt started and played all of the first half. And he picked up the South secondary apart. First he found running room around the right side and scampered six yards himself to make it 6-0. After a 70 yard touchdown run on a reverse by Tim Bachman had made it 14-0

the second half, and the Trojans were better off without it. The Trojans relied on the running game in the second half and it brought results.

Before the Trojans came alive, Central took the second half kickoff and set up a 60 yard scoring drive.

Central coach Dennis Gatchel saw what Zarr was doing and took advantage of it. "We were trying to read them, and when he went back, we knew they were trying to play action, so we brought our ends up and they tackled him."

Madison didn't try the play action in

## GC may appeal loss of clean air grant

Granite City officials may appeal to Governor Jim Thompson for reconsideration of an action by the Illinois Environmental Protection Agency (IEPA) revoking a \$4,363 federal EPA grant which supported 45 percent of the city's air pollution control program.

The action, which has apparently not been officially announced to Granite City aldermen, was the result of layoffs in the city's air pollution control department which, the USEPA contends, violated the terms of the agreement between the EPA and the city.

## Boy, 8, shot accidentally

Nicholas McLaren, 8, of 2824 Birch Ave., suffered an accidental gunshot wound to the left arm, near the shoulder, in an incident occurring at 11:45 a.m. Saturday at the home of a neighbor. He was admitted to St. Elizabeth Medical Center.

Police and an ambulance were called to 2825 Birch Ave., where the boy was laying in the yard being helped by several neighbors. The wound appeared to have been made by a .22 caliber bullet which had exited through the left side of his back, a report stated.

Police pieced together reports from several sources, including neighbors at the scene who had heard the boy screaming and saw him running to his own home.

Officers learned the McLaren family was changing the house of a neighbor who is vacationing in Florida when Nicholas, his 12-year-old brother and another person went to check the house and allegedly got out some guns and were playing with them.

Nicholas told police he had removed a shotgun from a case, but had replaced it and was kneeling down in a hallway picking up pennies from the floor while his brother was looking at a pistol in a bedroom.

He heard his brother yell at him, wanting to show him the gun, when the weapon discharged shooting him in the shoulder, he said.

Two men, George Nenniger of Granite City and Carl Bernasco of Collinsville, were at 2826 Birch Ave., when they saw the boy run out of a house in the 2100 block of Wilson Avenue and cross the street to his own house.

A .22 caliber weapon with a six-inch barrel, containing seven live rounds, was confiscated by police. A spent cartridge was found inside the bedroom.

and one technician were terminated in mid-July, in the midst of city budget cuts.

Letters from the IEPA were received July 28 and from the USEPA Aug. 28, terminating the grant, effective Sept. 1. However, the letters were not read to the city council. Alderman Paul Ray Bowler, chairman of the city's finance committee, said he was unaware of loss of the grant until contacted by the Press-Record this morning.

City Engineer Monroe Brewer, who assumed control of the city air pollution department when Mrs. Case was terminated, read the letters during last week's meeting of the city's air pollution control board. The advance agenda for that meeting carried only the item, "Status of existing grant."

Two members of the city's air pollution control committee, chairman Casner Skubish and Carl Kittel, met with Brewer, David Nolan, administrative aide to Mayor Paul Schuler, and William Rotter, president of the city's air pollution control board, after the IEPA termination letter was received and formulated a plan to try and meet the terms of the federal grant with present personnel.

The IEPA was informed last month that Brewer would devote two hours a day to air pollution control. Gary Brooks, technician, would continue to devote 40 hours a week to checking monitors and doing other air pollution control work. Secretary Rosalee Perigen would work two hours a day on air pollution control and three other city employees, Nolan, Traffic Engineer Ed Schulze, and Michael

## Protests layoff

Mrs. Dolores Robinson, who was laid off from her job as a clerk in the Metro East Sanitary District's Pollution Department, Sept. 4, said Friday that she will file a grievance against the district's board, which includes her husband, Russell Robinson, to try and be reinstated.

Mrs. Robinson said that she has consulted with a representative of Teamsters Local 925, which represents the clerk, and plans to protest her layoff on the grounds that another clerk with less seniority was retained, in violation of the union's contract.

Mrs. Robinson was informed of the layoff (which was allegedly labeled a firing in Thursday's Press-

Record) in a letter from Walter "Shang" Greathouse, president of the sanitary district's board. He said in the letter, "We all hope this is just temporary."

Greathouse said the layoff was in response to a time study done by Roy Logan, a consultant, which showed that the secretarial staff was only working about 75 percent of the time. The board of commissioners then voted to lay off the clerk with the least seniority, which Greathouse contended was Mrs. Robinson, leaving five working.

Trustee Russell Robinson objected Wednesday to the layoff and attempted to reciprocate by making a motion to lay off the district's attorneys. That

motion died for lack of a second after Greathouse said that one attorney alone, Richard Allen, had collected more than \$10,000 in delinquent sewage treatment fees while only charging \$2,400 for his services.

Mrs. Robinson contends that Allen keeps 50 percent of everything he collects for the district.

# Why is our utility bill higher than yours?

## Why some bills are higher than others

Two houses may look alike and even have the same floor plan, but there can be a big difference in the way they use energy.

The number of persons in the household and the ages of the family members have a bearing on energy usage; of course, a large family with young children naturally will use more energy for laundry, cooking and water heating than a smaller family with older children.

But any household can operate comfortably with less energy by following the suggestions at right.

## Ways to live well with less energy

- Weatherproof your home with adequate ceiling insulation, storm sash, weather-stripping and caulking around all outside openings.
- Do a little planning to use appliances less frequently. Use the dishwasher and laundry equipment with full loads. Use the oven only when it's needed, not for warming food. When using top burners, use pans that fit.
- Conserve energy by setting your thermostat down at night, by reducing the water heater temperature a few degrees, by opening the refrigerator door as infrequently as possible.

For suggestions on how the whole family can pitch in to conserve energy, ask our Energy Use Advisor

## Club hears Rep. Steele

Rep. Everett G. Steele was the featured speaker at a meeting last week of the Granite City Republican Women's Club held at Burn's Cafeteria, attended by 60 members and guests.

He spoke on several issues that pertained to the 1981 General Assembly session and specifically on the re-apportionment of legislative districts which will divide Madison County.

During his talk, Steele discussed the roads crisis, mainly in the Chicago area, which resisted a number of tax proposals, and added President Ronald Reagan feels those who use the mass transit systems should pay for them and the Illinois legislators agreed with this theory.

Other information provided by the speaker included the fact that it is now mandatory that second time offenders in home burglaries will serve four years in prison. Last year there were 140,000 burglaries in the state, he noted, and added that small tear gas guns are now legal for people to carry for self protection.

An out of state truck bill implemented a year ago, sponsored by Rep. Steele which requires trucks to buy fuel in Illinois is presently generating \$31,000,000 additional revenue for the state.

The mandatory auto inspections for the metro area was defeated by one vote and the bill drafted to drop the inspection for pick-up trucks to once a year failed by three votes.

President Vernice Walter presided at the session and appointed a nominating committee which includes Marionrose Lambert, Gladys Pape, and Lilli Ann Firner. The election of officers is set for November. Community Service Chairman Irma Taylor was

accorded special recognition for her efforts in collecting coin booklets with the funds to go for a special service within the community.

The president announced the Madison County Federation of Republican Women will host its annual dinner dance at the American Legion in Edwardsville on Sept. 27. A donation of \$10 is required for the buffet dinner to be served from 5 to 8 p.m. followed by dancing to the music of Joey James orchestra.

For more information or tickets those interested are to contact Mrs. Walter at 876-5748.

Also the Madison County Federation of Republican Women will hold a fall meeting on Oct. 19 at 6:30 p.m. in the First Presbyterian Church in Collinsville, to be hosted by the Collinsville club.

The next meeting will be on Oct. 6 with emphasis on youth. Reservations are to be made with Mrs. Janet Wilson or Mrs. Walter. Prizes for the evening went to Lucinda Huck and Marcie Holsinger.

## St. Mary-St. Mark parents meet

The first meeting of the 1981-82 school year for St. Mary-St. Mark's Parents, Teachers and Associate Members (PTAM) was held last week.

Members of the faculty were introduced and entertainment was provided by the first grade students.

Father Frank Kordek, new pastor at St. Mary Church opened the session with the Lord's Prayer.

Officers for the year were introduced and they include, Janet Lacunak, president, Arnold Spiroff, vice president, Casey Krakowicki, secretary and Susan Stahlhut, treasurer.

During the session a discussion was held on the proposed agenda for the forthcoming year. Refreshments were served later in the evening.

Mrs. Charles Hoxsey

## Hoxsey-Jackson

Miss Kathy Lynn Jackson and Charles D. Hoxsey exchanged wedding vows in an evening ceremony on Sept. 11 at Bethel Chapel Pentecostal Church, before a decorated arch illuminated with burning tapers.

The Rev. Clifton Galhier officiated at the 7 o'clock double ring service. Organist Luena Chester accompanied the vocalist, Danny Brimm, as they presented a program of selected nuptial music.

Parents of the bride are Mr. and Mrs. Shelby G. Jackson, of East Alton. The groom is the son of Mr. and Mrs. Edwin E. Hoxsey, 2602 Logan Ave.

For her wedding, the former Miss Jackson chose a white organza gown fashioned with a Queen Anne neckline and Edwardian sleeves accented with Val lace ruffles.

The bouffant skirt featured an overskirt of organza which topped lace ruffles at the hemline and extended into a cathedral train.

Her fingertip veil, edged in lace, was secured to a camelot headpiece of lace and pearls. She carried a cascade bouquet of silk white roses and carnations intermingled with pink, lavender, blue, green, yellow, peach and turquoise baby's breath.

Maid of honor Miss Carla Green, a cousin of the bride, was attired in a pink gown designed with a modified scoop neckline edged with a wide ruffle of Chantilly lace and a self fabric sash which criss-crossed at the natural waistline.

A deep gathered flounce encircled the hemline of the full skirt and she carried a white lace fan accented with a cluster of pink roses.

The bridesmaids, Miss Karen Mouser, Miss Sandra Sechrest, Miss Lisa Jackson, all cousins of the bride, and Miss Carol Hoxsey, a sister of the groom, and Mrs. Laurie Taylor selected identical gowns in rainbow colors of lavender, blue, green, yellow, and peach.

They also held white fans.

festooned with flowers to match their attire. All the attendants wore a cobb, with a silk rose and baby's breath attached in their hair.

Jennifer Cadel and Krista Swain, also cousins of the bride, served as flower girls, and Jay Wise was the ringbearer.

The girls were dressed in organza frocks created with scoop necklines, marked with ruffles, and a pink sash to define the waistlines. Each one carried a wicker basket of various color blossoms.

Another cousin of the bride, Stephen Johns, attended the groom as best man. Kevin and Keith Jackson, brothers of the bride, Jeff Rea, John McCarty, and David Brimm were groomsmen.

Ushers included Ira Anderson, Jeff Connor, Phillip Mefford, and Lee Roy Austin.

Candlelighters were Pam Cox and Mary Robinson. Immediately following the ceremony a reception was held at Bethel Chapel Pentecostal Church.

A graduate of Roxana Senior High School, the bride is now employed at Thunderbird Motor Freight Lines, Inc., in South Roxana.

The groom is working at St. Elizabeth Medical Center and is a South High School graduate.

They are now residing in Roxana.

## Second child for service couple

Former Granite City residents, Mr. and Mrs. Scott Stille who now reside at Blytheville Air Force Base in Blytheville, Ark., are announcing the birth of their second child.

The new arrival was born on Wednesday, Sept. 9, at the AFB Hospital. She has been named Laura Elizabeth and weighed six pounds, three ounces.

Mr. and Mrs. Stille also have another daughter, Jodi who is two and one half years old.

Grandparents are Mr. and Mrs. Wesley Stille and Mr. and Mrs. James Landis, all of Granite City.

Mr. and Mrs. Kenneth Dake

## Dake-Fulk

The Cahokia United Methodist Church was the scene of a candlelight service on June 6, uniting in marriage Miss Christy Ann Fulk, daughter of Mr. and Mrs. Charles E. Fulk of Cahokia, and Kenneth Alan Dake, son of Mr. and Mrs. Carl L. Dake, of Granite City.

Wedding music was provided by James Wright of the organ and Janice and Phillip McGovern, soloists. Selections included, "Lady," "If," "Hawaiian Wedding Song," and "First Time Ever I Saw Your Face."

The Rev. John R. Annable performed the 6 o'clock evening ceremony.

Escorted to the altar by her father, the bride wore an empire style gown of daron organza and imported silk lace with tiny silk motifs and seed pearls. The fitted bodice, embroidered with pearls, was designed with a high neckline and full bishop sleeves.

The skirt extended into a train that formed a bustle at the back. A beaded headpiece secured her wavy length veil, edged with matching lace, and she carried a cascade of pink roses, white gladiolus, lavender carnations and baby's breath.

Gina Fulk, a sister of the bride, was maid of honor. Bridesmaids included Toni Fulk, a sister-in-law of the bride, Karen Rankin, the groom's sister, Linda Sydow, Carol Sharp, Carmen Jones and Donna Worthen.

They selected mauve and violet gowns fashioned with high necklines, bodices and sleeves of point d'esprit and flowing A-line skirts.

Each wore matching picture hats and held colonial bouquets of pink rosebuds, lavender and white carnations and baby's breath.

Jennifer Burroughs, the bride's cousin, served as flower girl. She was dressed in a mauve giana frock similar to the bridesmaids and she wore a wide brim hat. Timmie Batson was the ringbearer.

The groom chose Dennis Kirkover as best man. L. David Fulk, a brother of the bride, Randy Dickerson, Richard Worthen, Jack Jones, Richard Braman and Robert Fulmer, were groomsmen.

Seating the guests were Craig Phelps and Coleman Weisman.

For her daughter's wedding, Mrs. Fulk chose a floor length gown of blue polyester fashioned with a pleated skirt and complemented

with a matching lace jacket. She wore a corsage of blue carnations and baby's breath.

The groom's mother was attired in a aqua polyester formal gown and her corsage was of aqua carnations and sprigs of baby's breath.

Nancy Dake, sister of the groom, presided over the guest book.

After the ceremony, a catered reception, buffet and dance was held at the American Legion Hall in Cahokia.

The bride is 1978 graduate of Cahokia High School and the groom was graduated from North High School in 1978. They are now residing in Granite City.

## Navy Mothers assign gifts

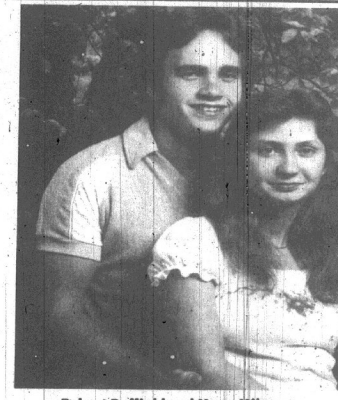

Christmas donations to the Great Lakes Naval Hospital and the Veteran's Homes in Danville and Downey, Ill., were authorized at Thursday night's meeting of the Quad-City Navy Mothers Unit 850. The group met at the VFW Post 1300 S. Hall, 204 Washington Ave., with Elizabeth Ramsey, commander, in charge.

The allocated funds will be forwarded to the respective institutions when receipts from the "Tag Days" project, held the past weekend, are tabulated and returned from the National Navy Mothers Headquarters, Mrs. Ramsey said.

Plans were made for a "crazy auction" in October and a "bake sale" bake sale in November.

In the special hour, a mystery package was won by Clara LaFon.

The next meeting was set for Sept. 24 at the VFW Hall.

Robert Duffield and Mona Milam

## Party honors Mrs. Nebiker

Charles Nebiker of 3112 following the dessert opened family and friends with a dinner party at the Round Table Restaurant in Collinsville, in honor of his wife, Emily Nebiker's birthday.

During the course of the dinner a surprise telephone call was received by the guest of honor from Joe Pogorel of San Diego, Calif., a lifelong friend and former neighbor of the honoree, who also talked to many of the guests present at the party.

Mrs. Nebiker was presented with a large decorated cake and following the dessert opened many gifts.

After dinner, the following guests were entertained with music by the Russ David's Orchestra at Queeny Park in Manchester, Mo.; Rose Wiesler of Edwardsville, Doris and Robert Buer of Ballwin, Mo.; Alberto Domain, George and Cathy Domain and son George Jr. of Affton, Mo.; Ann Slezak of Fenton, Mo.; Cecelia Dochnal, John and Ann Spiller of St. Louis, Ann Gasparovic, Matt and Joyce Gasparovic, Walter Gasparovic, Pete and Betty Schmidt, Esther Eggle, Ted Veith, Alleen and Leonard Smith and Steve and Marygrace Smith of Granite City.

## Duffield-Milam

The engagement of Miss Mona L. Milam, daughter of Mr. and Mrs. Lester L. Milam, 1800 Ferguson Ave., and Robert N. Duffield, is being announced by the bride-elect's parents.

Parents of the prospective groom, Mr. and Mrs. David L. Duffield, reside at 2173 Dawn Place.

The bride-to-be is a 1979 graduate of North High School.

Her fiancé is also a 1979 North High School graduate and is presently employed at Tara Corp Industries. The engaged couple is planning to be married on Oct. 10 at the Community Heights Assembly of God Church.

## Tri-Cities Area United Way agencies provide many essential services to local families, groups, workers

Football time is here, but that is not the only "kickoff" in the news this week. The Tri-Cities Area United Way will begin its annual campaign with a kickoff breakfast at 7:30 a.m. tomorrow at the Granite City Township Building, 21st Street and Delmar Avenue.

Melvin C. Wilmersley, president of the First Granite City National Bank, is chairman of this fall's fund-raising drive. The campaign will help provide the money needed to operate 16 community and family service programs during the 1982 calendar year.

That the United Way offers a bargain to all local residents, employees, organizations and businesses is clear from personal of member agencies' yearly operating budgets.

A tally shows that, combined, 15 of the agencies are projected to spend \$4,612,151 in their various programs. Of this amount, proposed Tri-Cities Area United Way allocations to them total \$539,079.

The campaign also offers the advantage of individual solicitation, avoiding the necessity of numerous separate drives and contacts. The opportunity to pledge contributions through payroll deductions provides further convenience.

Administrative costs are held to a minimum, assuring that full dollar's worth of value is received for each dollar given to the local United Way.

The agencies and their services are as follows:

## Arrest youths on parking lot

Two youths were arrested at 10:20 p.m. Saturday after their vehicle, southbound on Namekiki Road, was stopped in the National Food Store parking lot and a quantity of beer allegedly was found in the car.

Jeffrey A. Singleton, 21, of 3214 N. Chain of Rocks Road, allegedly began screaming at an officer who halted the car and threw full cans of beer on the asphalt when told to empty the cans or face arrest. Handcuffs and minimal force were used to place both in a squad car. Three officers in the vehicle began removing the cans, but one of the three, Bradley C. Singleton, 17, of 3214 N. Chain of Rocks Road, allegedly started cursing other officers called to the scene and made threats directed at an officer while being booked.

Jeffrey Singleton was charged with disorderly conduct and illegal transportation of alcohol. He was later released on payment of a \$35 cash bond.

Bradley Singleton was charged with disorderly conduct and released on notice to appear.

## Plan commission

(Continued from Page 1)

continues, we'll probably lose more, he contended. He said that the city's efforts to stop commercial zoning on Madison, Johnson and Ponton are futile since three attorneys he has contacted "were 89.9 percent sure that individual businesses could have the courts overturn any denial of commercial zoning by the city for property next to a property which already is commercial. 'What you are doing is forcing people to go to court to win their right when they could be taken care of now and you are going to force the city to spend money defending those cases,' Kaegele contended.

Morgan disagreed, saying anyone who needs zoning for a business can come before the Plan Commission for a hearing and, if there are no obvious reasons against granting the rezoning, the commission will ask the city council to approve the zoning change. "It's no different than the present ordinance," Morgan said.

City Engineer Monroe Brewer answered questions about the placement of mobile homes in the city and said that if a mobile home is moved from a lot, another mobile home cannot replace it, without council approval. "It is the same procedure if there never was a mobile home there. In my opinion, a mobile home is a poor excuse for a residential unit and a lot of property owners are using them for cheap rental units," Brewer stated.

"The city council enjoys the exclusive right to determine where a mobile home goes. These darn trailers don't do anything for property values. Some investors have trailers all over town that they use for rental property

and they become a detriment to the neighbors," Brewer contended.

Kaegele disagreed with statements a prior meeting that rezoning are the ones who are renting mobile homes and said he does not know of one realtor who rents such units.

Realtor John Krevovich contended that once the recommendations of the Plan Commission go to the city council, it's a political football game. It's a farce, he really is a farce," he contended.

He alleged that when 10 neighbors object to zoning for a business, the aldermen see it only as 10 or more "votes," and overlook the importance of having a new business. "That's the way the system has worked and will work, unless we change it. It's a three-ring circus," Krevovich stated.

Despite the arguments of the realtors the commission voted 6 to 1 to endorse the new zoning ordinance and map and send it on to the city council for final approval.

The council will meet at 8 p.m. Tuesday in the city and session, 21st Street and Delmar Avenue. The meeting will be open to the public. Some aldermen have indicated a preference for holding the discussion on first reading Tuesday and withholding final approval for a week or more to allow more discussion. One alderman said he would prefer the zoning ordinance and map be approved on final passage Tuesday night, believing there has been enough discussion on it.

NOTE 6: Customers Served.

As illustrated in Note 2, there are variances between the "Designated Balances" and the "Required Balances." The Ponton Beach Public Water District purchases water from Illinois American Water Company for distribution. During fiscal year ending June 30, 1981, the District purchased 163,875,000 gallons of water. On June 30, 1981, the District served 1,011 customers. On June 30, 1980, the District was serving 997 customers.

**PONTON BEACH PUBLIC WATER DISTRICT**  
Auditor's Comments  
June 30, 1981  
SÉGREGATED FUNDS:  
As illustrated in Note 2, there are variances between the "Designated Balances" and the "Required Balances." There should be a realignment of the "Designated Balances" to conform with the "Required Balances" which are outlined in the Bonding Ordinance of July 1, 1985.  
**LONG TERM BONDS PAYABLE:**  
We have revised the Bonds Payable Schedule of principal and interest to properly reflect the obligation of the District after the purchase and retirement of bond numbers 211-285 in the amount of \$75,000, which would have been due January 1, 1990.

Segregated Funds Requirements  
June 30, 1981**

PAYMENTS TO SEGREGATED FUNDS AND RESTRICTIONS ON THEIR USE ARE AS FOLLOWS:

**OPERATION AND MAINTENANCE FUND:**  
Monthly additions sufficient to pay the estimated cost of operations and maintenance during the next ensuing month.

**BOND AND INTEREST SINKING FUND:**  
Monthly additions must be equal to one-twelfth of annual principal and interest payment requirements.

**DEPRECIATION FUND:**  
A balance of not less than \$18,000 must be maintained. This is to be used for unusual or extraordinary maintenance, repairs, renewals and replacements of the waterworks system.

**BOND AND INTEREST RESERVE FUND:**  
A balance of not less than \$15,000 must be maintained. This is to be used for payments of principal and interest to the extent that the sinking fund is insufficient.

**EXTENSION AND IMPROVEMENT FUND:**  
Annually, 75% of all sums remaining after meeting the aforementioned requirements are to be held and disbursed for extension and improvements of the waterworks system.

**BOND REDEMPTION FUND:**  
Annually, 25% of all sums remaining after meeting the aforementioned requirements are to be held to be used to redeem any of the waterworks bonded debt.

**METER DEPOSIT FUND:**  
Funds are to offset liabilities for consumers' guaranty deposits.

# And that's how 'Tarzan' was 'born'

By NANCY ANDERSON

**HOLLYWOOD** — Bo Derek says that if she and hubby John had envisioned the legal problems their new Tarzan flick has hatched, they wouldn't have made the movie.

Reflecting upon a federal judge who ordered three minutes cut from the film, Bo says, "I still can't believe it!"

The idea for their "Tarzan, The Ape Man" was born, she continues, as she and John were traveling to promote "10."

"We were on a plane," Bo recounts, "and John said, 'You should make a picture called 'Me, Jane.''"

The Edgar Rice Burroughs estate had sold Tarzan rights to Warners.

"But when the Burroughs estate got wind of the Derek enterprise, it wasn't happy

and moved to stop distribution of the picture."

Some persons who see the new "Tarzan, The Ape Man" are surprised, because, despite the title, Tarzan isn't its main attraction. Jane carries the film, while the Ape Man, portrayed by Miles O'Keefe, doesn't come out of the trees until it's half over.

Bo adores animals, and though there was no SPCA representative on the "Tarzan" sets, she guarantees that every beast in the picture was well treated. In fact, according to her recollections, humans treated them better than they treated humans.

"I would never allow the mistreatment of animals," says Bo. "They are my life!"

On the other hand, she recalls, "a lion came after me in the water," during the shooting. "He had no claws, but he got me in the shoulder with his tooth. We were in the waves, so he sort of slipped off, and I swam away."

"We were doing a scene in which Tarzan was trying to pull me out of the water, and I was screaming like wounded prey."

"So the lion thought it was the perfect opportunity to get the prey and came after me."

Bo also remembers that some of the hardest scenes to capture involved animals who refused to hit their marks for retakes.

Asked whether she likes to be called Miss Derek or Mrs. Derek, Bo, whose maiden name is Collins and who is

John Derek's wife, says, "I'm not called Mrs. Derek nearly enough."

Mrs. Derek was not only the star of "Tarzan, The Ape Man" in the role of Jane but produced the picture which she says she brought in "probably a couple of hundred thousand dollars under budget" and on schedule even though it was shot in far-off Sri Lanka, away from the convenience of Hollywood sound stages.

"We didn't have a production manager, so I even had to get involved in the number of lunches we served."

"Tarzan, The Ape Man" is doing well at the box office but, as Bo points out, "the Burroughs estate has sold the rights to Warners which is going to make a Tarzan picture," so there's no way the Dereks could make a sequel to their Ape Man film even if profits so dictated.

Next they'll make a pirate picture as a CBS theatrical release drawing heavily upon the history of Anne Bonney, a Carolina woman pirate who missed nothing only because she was pregnant.

# Klugman makes out like a bandit

By JACK MARTIN

Universal Studios is on the verge of settling that \$10 million lawsuit they lodged against their "Quincy" star, Jack Klugman, for walking off the high-rated show earlier this year.

Not only will they settle with Klugman, but the powers-that-be have done just about a 360-degree turnaround in their attitude. Which, translated, means Klugman has won the war.

The terms of the "settlement" are as follows: Klugman will receive a \$1 million bonus for going back to work like a good boy, and the considerable legal action will be forgotten. All this, plus he will get his weekly salary almost doubled for the coming season — from \$47,500 per episode to "around \$75,000."

And speaking of astronomical paychecks, British sexpot Joan Collins will collect a cool \$500,000 for appearing in 22 episodes of ABC's "Dynasty" soaper next season. This is the role the studio had originally tried to get Sophia Loren to play, but the Italian star turned the deal down at the last minute.

So it will be Collins who will portray John Forsyth's first wife on the show — and the mother of Pamela Sue Martin, which seems like perfect casting since the two ladies favor each other physically.

More Salary Notes: Jonathan Winters picks up \$200,000 for playing Morik's "baby" on seven episodes of "Mork and Mindy" this year. And series title star Pam Dawber jumps from \$22,000 to \$30,000 per show. Dawber is super hot these days, due to the big success she's had in the Los Angeles company of the Broadway musical hit "The Pirates of Penzance."

On the reverse end of the money scale, superstar Al Pacino says he'll work for no salary (up front) if EMI, the British film company, will agree to let him star in his all-time pet project "Born On the Fourth of July" which he's been trying to get off the ground for almost three years. If the deal is done, controversial "Heaven's Gate" director Michael Cimino will steer the temperamental Pacino through the picture. And there's a combo to keep your eyes on.

On the personal side of his life, Pacino has been burning up the summer sands on the beach at Fire Island with Oscar-winning Ellen Burstyn.

Ann-Margret, once she winds up Neil Simon's "I Ought To Be In Pictures"

with Walter Matthau, will make her light stage debut in the musical hit "I'm Getting My Act Together and Taking It On the Road" at the Huntington Hartford Theater in Los Angeles in November. After which the talented Ms. A-M will take her Vegas act to South Africa where she'll collect \$1.5 million for appearing a couple of weeks at the supposedly fabulous Sun City Resort (that's the spot Sinatra just played — for \$2 mil for 10 days' employment).

Tough guy Darren McGavin will make his Broadway singing debut next season in the baseball musical "The First" in which he'll essay the role of the Brooklyn Dodgers' legendary manager Branch Rickey. The show is about the career of Jackie Robinson who'll be played in the show by newcomer David Alan Grier.

At least a trio of unauthorized biographies are in the works about the life of the late novelist Jacqueline Susann, most famous for her all-time best-selling "Valley of the Dolls" which will be seen in an all-new version next fall as a CBS mini-series.

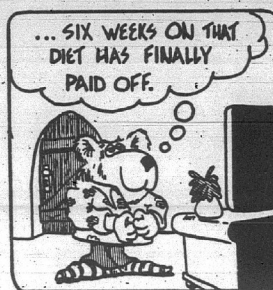

And on the subject of celebrity tomes, a lady named Verita Thompson here in Tinseltown is writing about her life with Humphrey Bogart. Titled "Bogart's Other Baby," Thompson is collaborating with Don Shepard who is the co-writer of the current and controversial biography of Bing Crosby called "The Hollow Man."

Thompson's tell-all will lift a lot of eyebrows when it comes out. Particularly Lauren Bacall's which should go right through the ceiling.

Rock singer Rex Smith flew all the way to California to beg Tatum O'Neal to come back to him. But Tatum says her romance with Smith is kaput — for good. She's still more than enamored of young actor Brian McDonald, and told sexy Rexy to take the proverbial flying leap. And she returned all the gifts he'd given her during their year-long puppy loving. So she must be serious.

## Grocodiles killed 980 in one night

Crocodiles are the most prolific man-eaters, killing about 2,000 people a year. The worst animal attack on humans occurred the night of Feb. 19, 1945. British troops had trapped 1,000 Japanese soldiers in a swampy Bay of Bengal area. The sounds of fighting attracted crocodiles, and by morning only 20 of the Japanese were found alive.
